# Corporate Memberships

Deloitte is a corporate member of the main professional bodies for the services we provide.

## **Regulated Activities**

Deloitte LLP is registered and authorised for regulated activities under the Institute of Chartered Accountants in England and Wales (Registered No 9201919) and the Financial Services Authority (Reference number 213218). Proof of our registration using the registered numbers listed above can be found on the websites of the regulatory bodies, [www.icaew.co.uk](http://www.icaew.co.uk) and [www.fsa.gov.uk](http://www.fsa.gov.uk). Drivers Jonas Deloitte is regulated by the Royal Institution of Chartered Surveyors.

## **Management Consultancies Association (MCA) (<http://www.mca.org.uk>)**

The Management Consultancies Association (MCA) is the representative body for management consultancy firms in the UK. The MCA informs and influences public debate on topical issues, and provides authoritative data on the industry. It commissions research and policy analysis and represents the industry in discussions with government and other stakeholders. The MCA also facilitates networking and the sharing of best practice within the industry through events, publications and initiatives. As well as being a member of the MCA, Deloitte contributes to its work and has won awards for excellence. Most recently, the practice won the Technology award for its work in launching Metrobank, the UK's first new high street bank for 100 years at the 2011 MCA Awards.

## **Intellect (<http://www.intellectuk.org>)**

Intellect is the UK's trade organisation for the information technology, telecommunications and electronics industry. Deloitte is represented on the Council and participates in a number of working groups dedicated to Intellect's mission representing the sector and encouraging good practice.

## **Whitehall & Industry Group (WIG) (<http://www.wig.co.uk>)**

The Whitehall & Industry Group (WIG) is one of the leading organisations in the UK for building understanding and co-operation between government and business. Founded in 1984, it is an independent not-for-profit organisation with a membership comprising businesses, government departments and agencies, local authorities and other public sector organisations.

## **Project Management Institute UK Chapter (PMI) (<http://www.pmi.org.uk>)**

The Project Management Institute (PMI) is the leading membership association for the project management profession. Deloitte is a member of the Corporate Council of the PMI and participates in its training and accreditation schemes.

## **The Chartered Institute for IT (previously BCS) (<http://www.bcs.org>)**

Deloitte is a member of the Chartered Institute of IT and a registered user of the Institute's Professional Development Scheme. We have a "trusted source" partnership with the Institute, previously known as the British Computing Society (BCS), which enables us to nominate and vouch for professional memberships internally. In January 2006, we were granted fully licensed status which allows Deloitte to nominate and vouch for staff for Chartered IT Practitioner Status. We have continued to maintain our fully licensed status which was re-confirmed in January 2010.

Deloitte MCS Limited is one of only 45 companies to achieve the Information Systems Quality and Work (ISQW) Award from the Chartered Institute for IT and the only professional consultancy services firm. The ISQW Award is a major award, which recognises the vital role that training and development have in maintaining and developing employees' skills sets. The Award is designed to encourage, support and recognise quality and best practice within employer's career development processes and procedures, and is awarded only to those organisations who have achieved the independent accreditation offered by the Chartered Institute for IT.

As Platinum members of the Chartered Institute for IT, we follow a number of BS15000/ BS20000 related IT Service Management processes and procedures and Software Testing standards (IEEE – 829).
