

Deloitte UK Technology Fast 50

What is the UK Fast 50?

The UK Technology Fast 50 is a ranking of the country's 50 fastest-growing technology companies based on percentage revenue growth over the last four years. Now in its 22nd year, the UK awards recognise revenue growth driven by leading intellectual property and are a celebration of innovation and entrepreneurship.

How do I enter and what's involved?

To enter the UK Technology Fast 50 please **complete and submit the online entry form by midnight on Friday 6 September 2019**. You will need to provide details of company revenues over the last four years, as well as submit soft (PDF) copies of signed, audited and unabbreviated accounts for years one (2015/16) and four (2018/19).

Find out if you qualify to enter – eligibility criteria

1. The company must have accounts covering a minimum of four years (i.e. four full twelve month financial periods)
2. The company must be considered a technology company which, for this purpose, is defined as a company that meets at least one of the following four criteria:
 - Owns proprietary intellectual property or proprietary technology that contributes to a significant portion of the company's operating revenues;
 - manufactures a technology related product;
 - devotes a significant proportion of operating revenues to research and development of technology; and
 - is technology intensive, or uses its own unique technology to solve problems.

NB: Companies using third party technology or intellectual property in a unique way does not meet this definition. Consulting companies, professional services firms, resellers and others who don't rely on proprietary technologies to generate their revenue are not eligible.

3. The parent company must be UK-owned and have its headquarters in the UK.

NB: Companies headquartered in Northern Ireland can take part in the UK **OR** Irish programme, but need to choose one or the other and cannot enter both.

4. The company must not be a subsidiary of a larger group

NB: If there is more than one trading company in a group of companies, the nomination should reflect consolidated revenue for year 1 and 4 and not the revenue of a particular company within the group.

5. The company must have base-year (year 1) operating revenues of £43,000 (€50,000) and a current year (year 4) operating revenues of at least £859,900 (€1,000,000).

NB: Operating revenue figures must be calculated on a consistent basis. Please disclose in your application any change in revenue recognition between the year 1 and year 4 accounts.

The accounts for the base-year must have an accounting period ending between 1 June 2015 and 31 May 2016; and the accounts for the most recent financial year must have an accounting period ending between 1 June 2018 and 31 May 2019.

6. All submissions must be accompanied by signed accounts for the first and last financial year being measured in the competition.

NB: *Where accounts are not audited, a cover letter must be provided. This cover letter should be on company headed paper, signed by a director of the company, stating and confirming the revenue figure per the accounts. Where only abbreviated accounts are available (with no profit and loss statement shown), please provide alternative financial information supporting the revenue figure presented, for example, management accounts used by the company, along with the cover letter described above.*

*indicates mandatory fields

Step 1 - Does your company qualify?

In order to verify your company is eligible to enter the UK Technology Fast 50 programme, please complete the questions below.

Has your company been in business for at least four years? * Yes/No

Is your company considered a technology company? * Yes/No

A technology company is defined as:

- owns proprietary intellectual property or proprietary technology that contributes to a significant portion of the company's operating revenues;
- Manufactures a technology related product;
- devotes a significant proportion of operating revenues to research and development of technology;
- is technology intensive, or uses its own unique technology to solve problems.

NB: Companies using third party technology or intellectual property in a unique way does not meet this definition. Consulting companies, professional services firms, resellers and others who don't rely on proprietary technologies to generate their revenue are not eligible.

Is your company the parent organisation and UK-owned? * Yes/No

Subsidiaries of UK or multinational organisations do not qualify.

Are your company headquarters based in the UK? * Yes/No

Please note: If you have answered 'No' to any of the above questions, unfortunately you will not be considered for the UK Technology Fast 50 programme as the minimum criteria requirements have not been met.

If you have any queries or require assistance uploading your accounts, please email deloittefast50@4marketing.co.uk or call 02394 003 153.

Operating revenues must be at least £859,900 (1,000,000 Euros) for the most recent financial year (2017/18). The accounts for year four should have an accounting period ending between 1 June 2018 and 31 May 2019.

Step 4 - Uploading financial accounts

We collect copies of your financial documents for years one and four to assist us in evaluating your nomination and administer the UK Technology Fast 50 programme. Candidates are evaluated by Deloitte according to the published awards criteria. The use of these documents is restricted to Deloitte.

Please upload your company's year one and four signed, audited and unabbreviated accounts.

Year 1 accounts (2015/16) *

Year 4 accounts (2018/19) *

Are both sets of accounts (Year 1 and Year 4) audited and unabbreviated? *

Dropdown (Yes/No)

If no, you will need to upload a signed Director's cover letter to confirm the figures provided are accurate. This cover letter should be on company headed paper, signed by a director of the company, stating and confirming the revenue figure per the accounts and whether these accounts are either unaudited / abbreviated. Please see an example cover letter here.

Upload your signed director's letter here:

*If applicable, please upload your alternative management statements below.

Purpose statement

The information you provide will be used by Deloitte to evaluate your company according to the published [awards criteria](#). Unless otherwise requested, companies successfully nominated for the UK Technology Fast 50 2019 will automatically be entered into the Technology Fast 500 EMEA 2019 programme. We will also retain your contact information so we and the sponsor organisations can provide you with information on upcoming events and activities.

Copies of your company financial documents for financial years one and four assist Deloitte in evaluating your nomination and administering the UK Technology Fast 50 programme.

Should your company become a UK Technology Fast 50 and/or Technology Fast 500 EMEA winner, Deloitte will:

- Include a link to your company's website on the UK Technology Fast 50 and Technology Fast 500 EMEA websites
- Publish only your company's percentage revenue growth over the last four financial years (and give an indication that your year one and four revenues exceed the stated threshold amount) on the UK Technology Fast 50 and Technology Fast 500 EMEA websites and programme related promotional materials. No other financial data or contact information will be published without prior written consent.

The information you provide, including financial data and contact information will be processed for the purpose as stated above. We will also share this information with the UK Fast 50 & EMEA Fast 500 sponsor organisations and a third party who help administer the UK Technology Fast 50 information. These organisations will process your information in connection to the stated purpose and to send you information on future events and marketing purposes. We and the sponsor organisations will comply with the EU General Data Protection Regulation and the Data Protection Act 2018 and will not disclose any data without your prior written consent. For further information about how Deloitte handles your personal data, please click [[here](#)].

If you have any queries regarding the UK Technology Fast 50, please email UKDeloitteFast50@deloitte.co.uk.

Please note that your company cannot be considered for the UK Technology Fast 50 2019 ranking until all correct information is submitted, including annual audited accounts for years one and four.

Pressing "Submit" will finalise and lock your nomination. You will not be able to login to make any further changes. If you do not wish to submit your form, close the page and your form will be saved so you can come back to it at later date.
