

SHARED SERVICES CONFERENCE 2024

Innovation through Emerging Technologies Award

NOMINATION SUBMISSION FORM

Launched in 2021, the Shared Services Awards allow us to celebrate all the incredible work across the Shared Services Industry and recognise the achievements of our peers throughout the calendar year.

About the Innovation through Emerging Technologies Award

This category recognises an organisation or a team that has pushed the boundaries of what is possible to deliver an innovative, impactful, and scalable solution using an **emerging technology** such as **GenAI, intelligent automation, big data & analytics, IoT** etc. The recipient of the award will have designed advanced cutting-edge solutions to drive business value and unlock doors to greater opportunities and perspectives within shared services.

Evaluation Criteria

- The submission must demonstrate the use of an emerging technology and have clear and measurable outcomes to outline business value generated
- The solution should be scalable in the future with a potential impact to reshape or influence the broader organisation/ industry

How to Enter:

- Complete the below form and answer each question in as much detail as possible
